Norwegian training provider signed global frame agreement with Kongsberg Group

Trainor Elsikkerhet AS, with headquarters in Norway, will deliver Ex- and Electrical Safety (FSE) training to the Kongsberg Group for the next 5 years. The new framework agreement is global and includes all companies and locations within the Kongsberg Group. – We are pleased to land this agreement, which will strengthen our operations in Norway, South Korea and China, says Managing Director in Trainor Elsikkerhet, Einar Thorén.

Trainor was awarded this contract based on quality, delivery precision,

innovation, service and competitiveness. – Kongsberg Group has seen that Trainor already are established in several of the important markets where they are operating, and that we can deliver training in several relevant languages, Thorén says.

Trainor will deliver e-learning in the disciplines of Ex- and Electrical Safety (FSE), but Thorén states that Kongsberg Group also have requested quotations for all training services in the Trainor portfolio. – This includes both e-learning and classroom training which can be offered at all locations that the Kongsberg Groups operating in, he says.

Trainor is looking forward to close co-operation with Kongsberg Group globally, and are open for customizing training to comply with local regulations and local languages at all Kongsberg Group's locations.

Trainor is an international specialist company offering training, consultancy services and hire of qualified personnel within the areas of electrical safety, automation and processes within the oil and gas sector.
